

Douglas County Household Chemical Roundups

9 a.m.—3 p.m.

Open to residents of Douglas County

Acceptable Items: oil-based paint and paint products, automotive fluids, antifreeze, vehicle and household batteries, house and garden chemicals, fluorescent light bulbs, CFLs, fuels, items containing mercury, propane tanks, and car and pickup truck tires (remove from rim).

Unacceptable Items: business and commercial waste, radioactive waste, electronic waste (computers, TVs, etc.), explosive waste, smoke detectors, scrap metal, oil drums, asbestos, medical waste or any compressed gases other than propane.

You will need: a driver's license, water bill, utility bill or phone bill as proof of residency.

Cost: A contribution of \$25 per vehicle is requested to help offset the high cost of hazardous waste disposal.

Latex Paint Disposal Tips:

- Water-based latex paint is NOT a hazardous waste, and can be safely disposed of with your regular household garbage once it is dried out and no longer liquid.
- Mix the paint with kitty litter, dirt or sand to help it dry out and solidify.
- Break the top layer and stir so that wet paint underneath can dry faster.
- Dried-out cans of paint with the lid off can be discarded in household trash.
